

# PLANT IT PINK --- PLANET PINK

HELP CREATE HOPE FOR A BREAST CANCER-FREE WORLD!

Promote a Passion for PINK - Plant PINK flowers everywhere!

- Community Gardens-Churches-Libraries-Parks
- Garden Therapy Projects-Private Gardens-Schools
- Hospitals-Memorial Gardens-Cancer Centers
- Partner with your Community-Habitat for Humanity Gardens
- Botanical Gardens-Encourage donations of Pink Plants
- Include classes using Pink flowers in your Flower Shows
- Plant a Shrub or small Tree with Pink Blooms (Buddleia, Crepe Myrtle, Rose, Pink Lilac, etc.). Or design a Container with Pink Blooms.
- Participate in National Breast Cancer Awareness Month - OCTOBER

Pink is everywhere in the month of October! This is a great time to plant Pink Tulips and other Pink Bulbs! What a beautiful display next spring.

Make a Statement with PINK Flowers for BREAST CANCER AWARENESS! There are many shades of pink, let's be creative.

PLEASE SHARE THIS INFORMATION WITH YOUR CLUB MEMBERS!

Take Photos, write Articles, Stories, and share Events (project descriptions) to be included in FGCM/NGC webpages. Please share your information to Wanda Simpkins, FGCM State Chair (Ever Green Garden Club) 417-887-2036 [wgsimpkins@msn.com](mailto:wgsimpkins@msn.com)

Nancy Bahn, FGCM PRESIDENT; Sandra H. Robinson, NGC PRESIDENT; Judy Newman, CRD -NGC  
Carole Nicholson, FGCM SWDD

\*This Project will enhance your Club President's report! (On-going NGC Project)

"CARING FOR OUR BEAUTIFUL MISSOURI!"
